

Our Year 8 agreement: respect in practice

Shared classroom display and review prompts with adult guidance

Audience: Year 8 pupils and class teacher

Translate shared values and classroom safety expectations into observable actions and agree one routine to practise.

Shared values

Respect

Listen without interrupting; challenge an idea with reasons, not a personal comment.

Kindness

Include others in group work and use language that lets people contribute.

Honesty

Say what you know, what you do not know and where information came from.

Responsibility

Bring agreed materials and return shared equipment as directed.

Perseverance

Try a strategy, then ask a focused question when stuck.

Classroom safety rules

- Keep bags and equipment out of walkways.
- Move around the room calmly and use shared equipment only as the teacher has shown.
- Keep food and drink away from equipment unless the teacher says otherwise.
- Stop and tell an adult about a spill, breakage or blocked route; do not try to clean an unknown spill yourself.
- Follow the school's fire, emergency and room-specific instructions.
