

How a sunflower grows

Cut, stick in order, then tell the story of a sunflower.

NAME _____ DATE _____

LEARNING GOAL

I can put pictures in order to show how a sunflower grows.

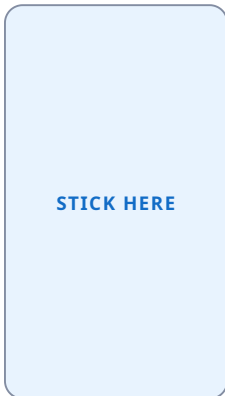

I CAN ...

- ☐ put the pictures in order.
- ☐ say First, Next, Then, Last.
- ☐ tell how a seed grows into a sunflower.

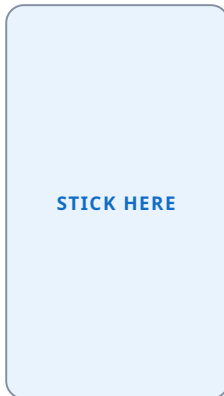

1 Stick them in order

ADULT READS Cut out the six pictures. Stick the seed in box 1. What comes next?

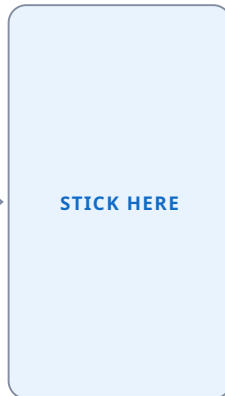

1 First

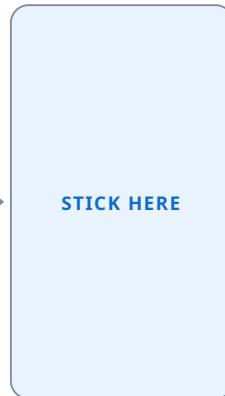

2 Next

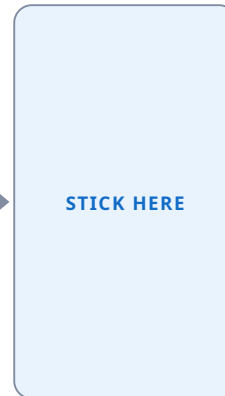

3 Then

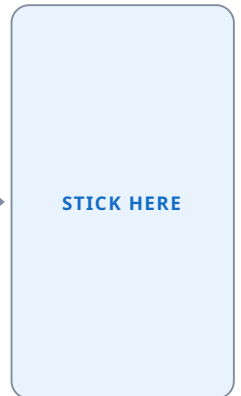

4 After that

5 Soon

6 Last

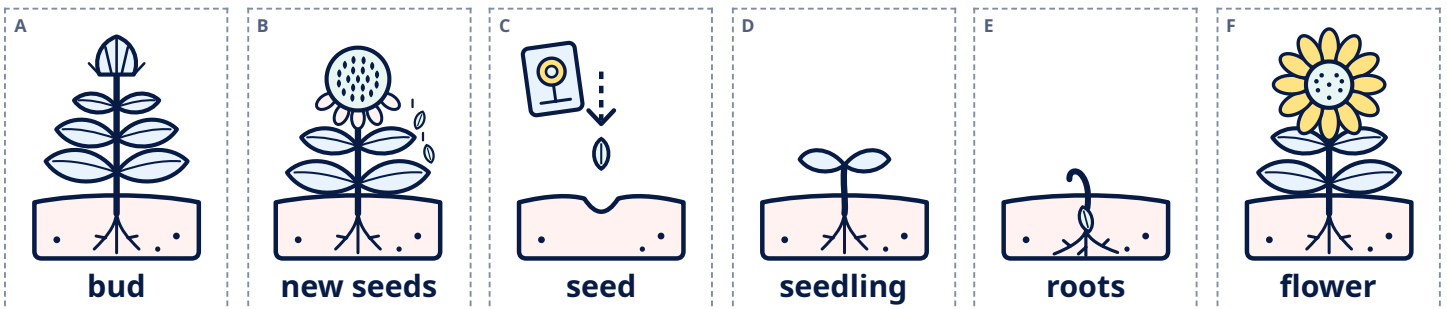

Look closely. What is new in each picture? Find the roots under the soil.

GO FURTHER

Tell the story backwards, from new seeds to seed.

CUT ON THE DASHED LINES

Tell it, then draw what happens next

2 Tell it

ADULT READS Say each sentence out loud, then write it. An adult can help.

1 First, *the seed ...*

2 Next, *roots grow ...*

3 Then, *leaves ...*

4 Last, *the flower makes ...*

3 It starts again!

A new seed falls into the soil. Draw what happens next.

CHECK IT

- ☐ My pictures go from seed to new seeds.
- ☐ I used First, Next, Then, Last.
- ☐ I told my story to a friend.

☐ Not yet ☒ Getting there ☒ Got it
