

Year 9 lesson mat: choose a step and request support

Audience: Year 9 pupils using a learning support mat

Follow the lesson route selected by your teacher, mark the current and next step, and show which agreed support would help.

My lesson route

Move a counter or mark the stage you are doing. Tick a step when it is complete.

Three-stage route, if selected	What I am doing	Done
1. Starter: get ready		
2. Main task: learn or practise		
3. Review: what did I learn?		

Longer lesson route, if selected

1. Teach: listen and watch.
2. Practise: try it with help.
3. Apply: try the task.
4. Review: look back at learning.
5. Finished: check the agreed task is complete.

Current stage: _____ Next stage: _____

Optional check-in

Ready / focused / unsure / tired / frustrated / calm / another word: _____

Support to select before printing

Teacher: tick only choices you can provide in this lesson, then remove the rest: repeat instructions / more time / agreed pause / named support: _____

Pupil: I would like help with this step: _____

Teacher setup: choose the actual route and support choices for this lesson. An unselected option is not a promise of support.
